IRON-A-WAY®
Built-In Ironing Centers

** All units can be provided with a left hinge upon request. Right hinge standard.
**** Door Hardware not included.

E-342

The Model E-342 has been expertly designed to only include core components and any additional features are optional. What sets this unit apart from the others is you can design the perfect ironing center to fit your needs.

The cabinet houses a premium sized hot iron storage compartment, storage shelf, an appliance outlet, an on/off illuminated rocker switch, and an industry standard 42-inch, ventilated steel board. Now you just add any or all remaining features to customize your ultimate built-in ironing center.
